Rockville Choir Notes

The choir students will be participating in Josh Arnold's United Toowoomba Choir. Josh will be bringing many school groups together from across the Toowoomba region to share the same stage and music for 4 separate events. This project has been initiated by the Multi-Cultural Department of Queensland and the chief aim of the Choir is to help breakdown cultural and social barriers as well celebrate our differences through music. All school groups taking part will learn 5 Chorus's to 5 separate songs. The students will then join the other schools for 4 separate events throughout the year: Please note if your child cannot make it to 1 or 2 of these events that is OK, I would still love you to participate wherever possible.

1. Filming and Recording at the Empire Theatre - Wednesday 26th July (10:30am - 2:00pm)
2. Appearance at the Languages and Cultures Festival - Queens Park - Sunday 20th August
3. Walking float for the Carnival of Flowers - Saturday 16th September
4. Walk Together Event and Concert – Saturday 21st October

The school will be transporting the students to the Empire Theatre on Wednesday the 26th of July and a permission note will be distributed next term. All other dates are on weekends and will require parents to transport students to these events and supervise their children at these events. Mrs Sanson-Male will be practising independently with the students during choir times.
