Garden News

Our Preps will be cooking and presenting their Community Café on Wednesday 10th May. They are looking forward to picking some of the corn that we have grown in the school garden and preparing something delicious for their Mums and family.

All family and community welcome from 2:00pm

Congratulations

to Luca who will represent Rockville at the Darling Downs Cross Country Trials.

Miss Melrose will be selling Chocolates each Tuesday & Thursday at 2:45pm outside the office. They will be \$1.50 each

Mrs Nilon would like donations of milk bottle lids and old push bike rims please. She is hoping to make a crow scarer to help our vegetable gardens to grow.

**\$50 CAMP PAYMENT
DUE NOW**

Please remember to have a healthy breakfast or go to brekky club before NAPLAN on Tuesday, Wednesday and Thursday

Detection of Head Lice

All parents should check their children and other family members for head lice regularly as early detection decreases treatment time and helps break the breeding cycle.

The most effective way to detect head lice is by using the hair conditioner and combing method.

You will need white coloured hair conditioner, an ordinary comb, a fine tooth head lice comb and white tissue/kitchen towel.

- Apply sufficient white conditioner to dry hair to completely cover the scalp and hair from roots to tips.
- Use an ordinary comb to detangle hair and evenly distribute the conditioner. Divide the hair into four sections.
- Comb hair from root to tips using a fine tooth head lice comb.
- After each stroke, wipe the comb onto a white tissue, checking the comb and tissue for head lice.
- Comb the whole head, checking for lice. Put all tissues in a plastic bag, tie the top and put the bag in a rubbish bin.

All members of the family/household should be checked once per week using this method as long as infestation remains within the household.

P&C

Next P & C Meeting— 16th May 1:45pm

Facebook Page "The Rockville Support Group"
