

# Rockville State School

Week 7 Term 1  
What's New This Week

'a great place to learn'

Dear Parents, Carers and Family Members

**Leadership Parade** We are now looking forward to our upcoming Leadership Parade for all our School Leaders, Prep Buddies and Student Council Members. This is a wonderful parade which we hope you can attend...the children really appreciate you attending and attaching their new badge to their uniform.

Over the next few weeks we have the CARBAL **Being Healthy** Health Team working with our Year 5,6,7 classes looking at various topics including diabetes, healthy eating and smoking. Last week I sat in the session on diabetes and I had not realised how high the cases of diabetes were in later life.....**the key message from the team was to eat healthy and take regular exercise.**

(Yr5,6,7A please remember your reply slips for Friday)

**Be encouraging** Whilst on duty last week I was having a conversation with some upper school students who were discussing how they were bullied at other schools and didn't really enjoy coming to school. When I asked them about being at Rockville they said that everyone was friendly and that they felt safe and happy here. This is our aspiration for our school and together we can achieve for all our students. If you do have any worries or concerns then please do bring it to our attention so we can ensure everyone feels safe and happy.

As we come towards the end of term we are looking to **Everyday Matters** see those children with 100% attendance - so we would ask that you do keep us notified if your child is absent from school to ensure they do achieve that GOLD Level. **Homework Club** started this week - sending your children here will ensure they do get a GOLD level for homework....please complete the attached form.

**Well done Skye** for collecting over 50 iPad tokens—great job!

**Wishing you a great week—Simon and the Rockville Team.**
