Dear Parents, Carers and Family Members

We have a really busy week this week with everything seeming to happen on Friday. This year both Harmony Day and the National Day of Action against Bullying and Violence fall on the same day—this Friday. To ensure we give recognition to each we will be holding our school celebrations for Harmony Day during the last week of term which will enable us to recognise the National Day Against Bullying and Violence on Friday. Mr Trevor Watts MP for Toowoomba North will be visiting school to judge the art competition that is being run by our Events School Leaders...so good luck to all you creative people!

Leadership Parade—we hope that you are able to attend our Special Leadership Parade on Friday...I know many of the students are starting to look forward to receiving their new badges.

Finally for Friday we wish our soccer teams good luck as they travel to play some friendlies with Gowrie State School—originally the plan was for a day carnival however a number of schools pulled out leaving just ourselves and Gowrie—I’m sure this will be a great experience.

Finally we have had some reports of students with head lice please follow the attached steps so we can reduce outbreaks— we appreciate your efforts.

Every Day Matters—it has been great to see some classes with great attendance data .... lets remember every day does matter to the learning success of your children - Thank you

Wishing you a great week—Simon and the Rockville Team.

Bullying is

- When a child, or a group of children, deliberately upset or hurt another child
- behaviour that happens more than once
- can include hitting, name calling and spreading rumours

Bullying is not

- an argument between children where both children are upset
- something that happens only once
