Prep enrolments

Prep is the first year of school and provides the foundation for your child’s education ([http://www.australiancurriculum.edu.au/FoundationYear?layout=1](http://www.australiancurriculum.edu.au/FoundationYear?layout=1)). It is a full-time program held in primary schools. Children attend Monday-Friday, generally from 9am-3pm. Children must be 5 by 30 June in the year they enrol. Check the table below to see when your child can start Prep.

Enrolment age variations

Parents enrolling their child in school have the option of an early or delayed start. Enrolment age variations may be due to a child’s development and readiness, and could improve their ability to learn.

Delayed start to Prep

It is not compulsory for your child to attend the Prep year as soon as they are old enough—5 by 30 June in the year they enrol. You can delay their entry by 1 year if you feel they are not ready, but when they start school, they should still start in the Prep year.

Parents who decide to delay their child’s start in Prep may choose to keep their child at home or in an [early childhood education and care service](http://www.qld.gov.au/families/babies/childcare/types/). Parents may also apply to access an [Early Childhood Development Program](http://education.qld.gov.au/schools/disability/early-childhood-development-services.html) for children with disability through existing regional processes.

Students with disability

All children are entitled to attend the Prep Year at their local state school. Schools provide support services to assist students with disability so they can be included in local Prep classes.

Find more information for students with disability, including information on the:
